WHEELCHAIR SPORTS ASSOCIATION and
ROCK CREEK DISABLED OUTDOORS INC.

“WHEELS ACROSS WISCONSIN”

Outdoor camp for physically disabled teens

The **Wisconsin Wheelchair Sports Association (WWSA)** and **Rock Creek Disabled Outdoors (RCDO)** are working together to offer “**Wheels Across Wisconsin**” (WAW), a three season outdoor experience for disabled urban kids aged 11-19. We have a combined Fall, Spring, and Summer Camp Program in Willard, Wisconsin, for 6 physically disabled teens and their guardians. Lodging is provided by Sunset Pines Resorts, in wheelchair accessible cabins with modern amenities.

All of the equipment for the outdoor activities will be supplied. There will be many optional activities, including fishing, kayaking, archery lessons, hunting instruction, and field trips. There is a large picnic building at the resort with a wheelchair accessible bathroom in case of inclement weather. The day camp also has a large open room for campers to complete activities in case of rain or cold weather. Volunteers are on hand to help with instruction and to assist with any mobility issue.

PLEASE FILL OUT THE INFORMATION BELOW AND SEND IT BACK TO US AT THE EMAIL OR ADDRESS SHOWN BELOW.
